ABOUT TEQIP-III

The Project, Third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelfth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category States and support to strengthen few affiliated technical universities to improve their policy, academic and management practices.

Rajasthan Technical University (RTU) is located in Kota in the State of Rajasthan. It was established in 2006 by the Government of Rajasthan to enhance the technical education in the state. The university currently affiliates about 129 Engineering Colleges,04 B.Arch, 41 MCA Colleges, 95 MBA Colleges, 44 M.Tech Colleges and 03 Hotel Management and Catering Institute.
The University aims to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country.

S.K.Chaudhary Educational Trust is the parent organization of Shankara Group of Institutions. It has been helping millions in the regions of Rajasthan, Bihar, Jharkhand, Rajasthan, Delhi, Maharashtra, Tamil Nadu, particularly in the backward sections of the society. The Trust's presence in rural development, health care, education, agriculture and vocational training is well recognized and appreciated. Technical education has made the Trust the torch bearer in social service sector. The trust at present runs Primary school, Inter/Degree colleges, Engineering / Management colleges, Teachers Training colleges, Eye Hospitals, Nursing colleges, Krishi Vigyan Kendra, watershed Development Programmes etc. Through, the tireless work of the Trust, it has brought drastic progress in common people's lives. Trust's President, Dr Sant Kumar Chaudhary and all the trustees are the guiding force of the Trust.

Shankara Group of Institutions has its bench mark in the field of Technical & Management Institution. At present, the institute is offering four year degree program of Bachelor of Technology (B.Tech.), three year degree program of Master of Computer Application (MCA), two year degree program of Master of Business Administration (MBA) & two year degree program of PGDM. Institution also offers three year degree program of Bachelor of Business Administration (BBA) & Bachelor of Computer Application (BCA).

We are proud to mention here about the association of VYATUTAS MAGNUS UNIVERSITY, Lithuania and S.K.Chaudhary Educational Trust. A collaboration agreement for students and faculty exchange program has been signed in which scholarship to students is granted by European Union's ERASMUS PROGRAM. The whole expenditure for the studies is being borne by European Union under ERASMAS+ program. Shankara is also proud to be associated with the leading universities in Croatia, Singapore, CANADA by signing MoU to conduct similar programs.

In order to appreciate the students and to make them enlighten with different concepts of technical, management and agriculture, the Trust publishes the following journals/magazines periodically.

1. Technical Journal "Technikon" - Half yearly (English)
2. Magazine "Glimpses"—Yearly (English)
3. Agricultural journal "Kisan International" - Quarterly (Hindi)
4. Magazine "Navankur" (Yearly)
5. Swasthya Parichaya (for health)—Quarterly (Hindi)

In order to improve academic and personality development of students, the college has invited number of eminent personalities/technocrats as visiting faculties from prominent institutions and corporate. Shankara Group of Institutions is also empowering the students by arranging regular industrial visits by coordinating with prominent industries so as to improve the caliber of students for the betterment of their career.

Regular and technical seminars on various subjects and projects were conducted for students of specified branches so as to enable them to cope up with the competitive scenario of the ongoing market.
